Executive Overview

₹1.17Cr

MONTH 12 REVENUE TARGET

Growth Strategy

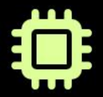

Scaling from a bootstrapped ₹1 Lakh investment to a ₹1 Crore+ run rate within 12 months. This asymmetrical growth is driven by our dual-vertical approach: B2B IT Solutions and High-Ticket B2C EdTech training.

Phase 1: Foundation (M1-M3)

Month 1: Hard Launch

Deploy proprietary CRM SaaS. Launch Digital Marketing course (Target: 10 sales). Initiate ₹10,000 ad spend using cinematic 3D storytelling assets.

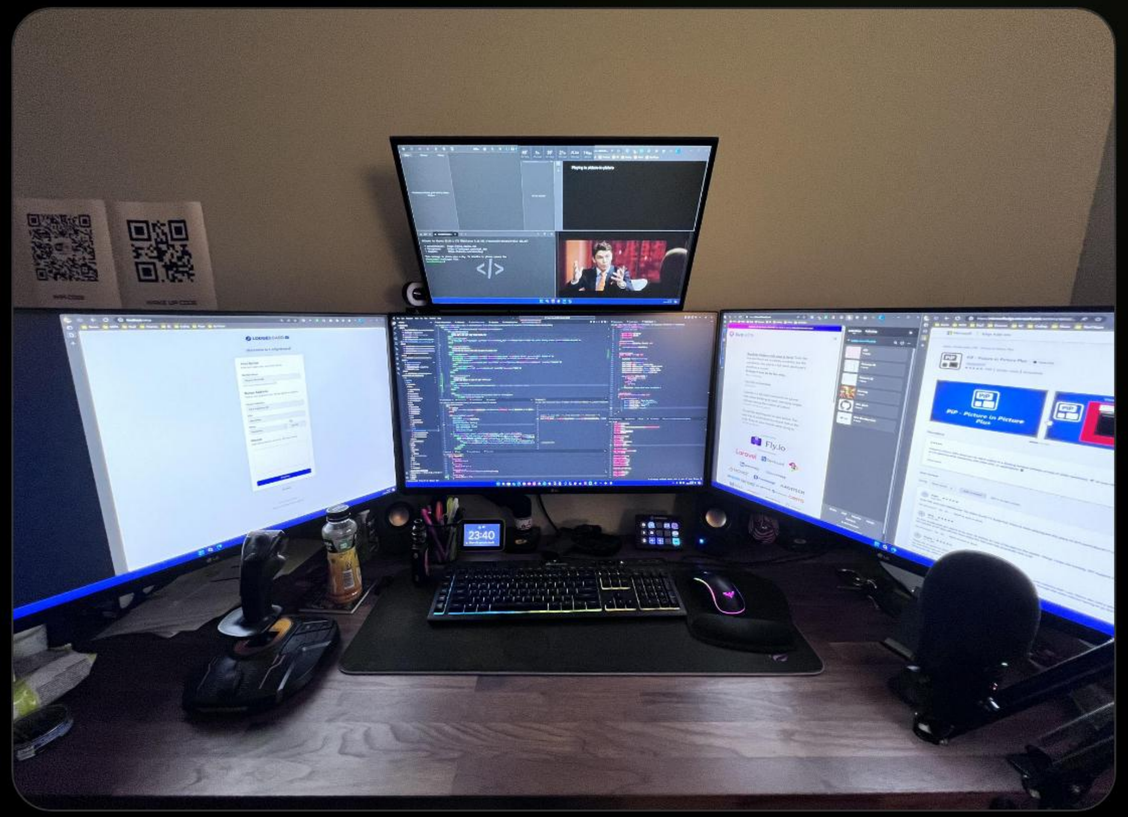

Month 3: Product Expansion

Launch LMS Platform & MERN Stack course. Deploy Automation Tool (₹1L target). Hire 2 BDEs to scale the outbound sales pipeline.

Phase 1: Hyper-Scaling (M4-M6)

- **Month 4:** Launch Mobile App Dev course. Hire Developer/Trainer.
- **Month 5:** Scale to 100 course sales. Push IT services to ₹3L/mo.
- **Month 6:** Launch Premium Cyber Security (₹80k fee). CRM hits ₹10L.
- **Automation:** SaaS Tool revenue reaches ₹400,000 per month.

EdTech Product Roadmap

Digital Marketing

₹35,000 Fee. 3 Month Course. M1 Launch focused on high-conversion social funnel.

MERN / App Dev

High-demand technical tracks launched in M3 and M4. Integrated with our internal IT projects.

Cyber Security

₹80,000 Premium Fee. M6 Launch targeting enterprise-level security skill sets.

IT & SaaS Verticals

Proprietary CRM

Full-stack SaaS solution for customer management. Current asset driving stable B2B cash flow.

Automation Tool

Launching M3. Designed to streamline B2B workflows. Scaled to ₹4L/mo by Month 5.

IT Services

Custom App & Website development services. Scaled from ₹2L to ₹4L monthly revenue.

Marketing SOP

The Cinematic Edge

To justify high-ticket EdTech fees, ITCompany leverages premium 3D cinematic animation and corporate storytelling.

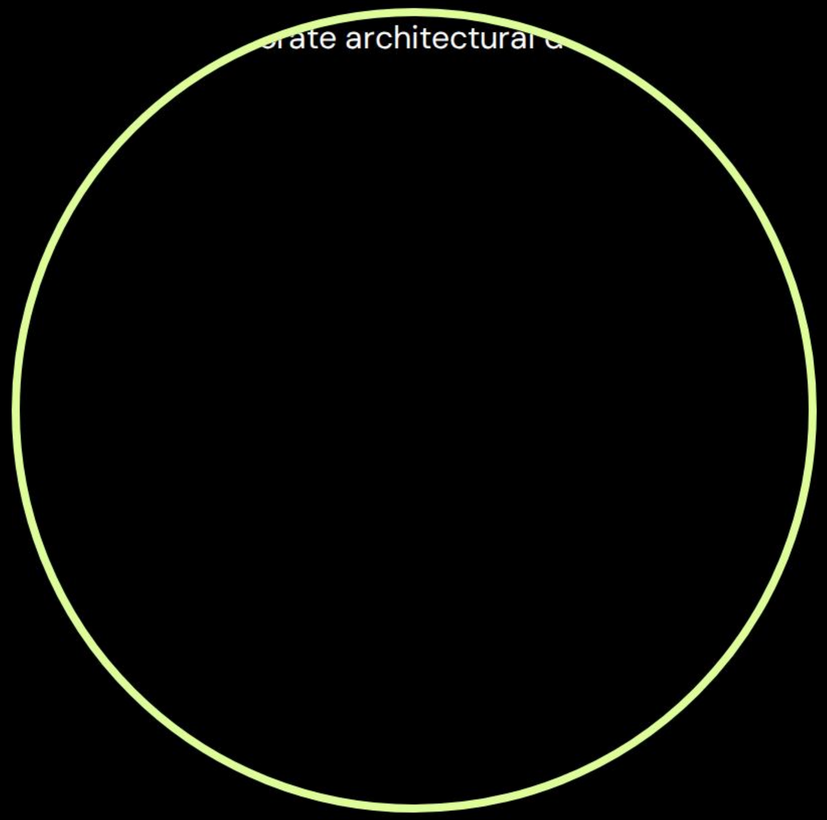

Visual Standard: Gold accents on black backgrounds. Cinematic pans through high-tech workspaces. Absolute authority positioning in every frame.

Sales Funnel SOP

- **Step 1:** Inbound leads from 3D cinematic ads filter into the proprietary CRM.
- **Step 2:** BDEs (scaling from 1 to 5) execute discovery calls within 2 hours of inquiry.
- **Step 3:** High-ticket closing sessions for DM and Cyber Security courses using ROI-driven pitch decks.
- **Step 4:** Re-engagement sequences triggered via the Automation Tool for all non-converted leads.

Talent Loop SOP

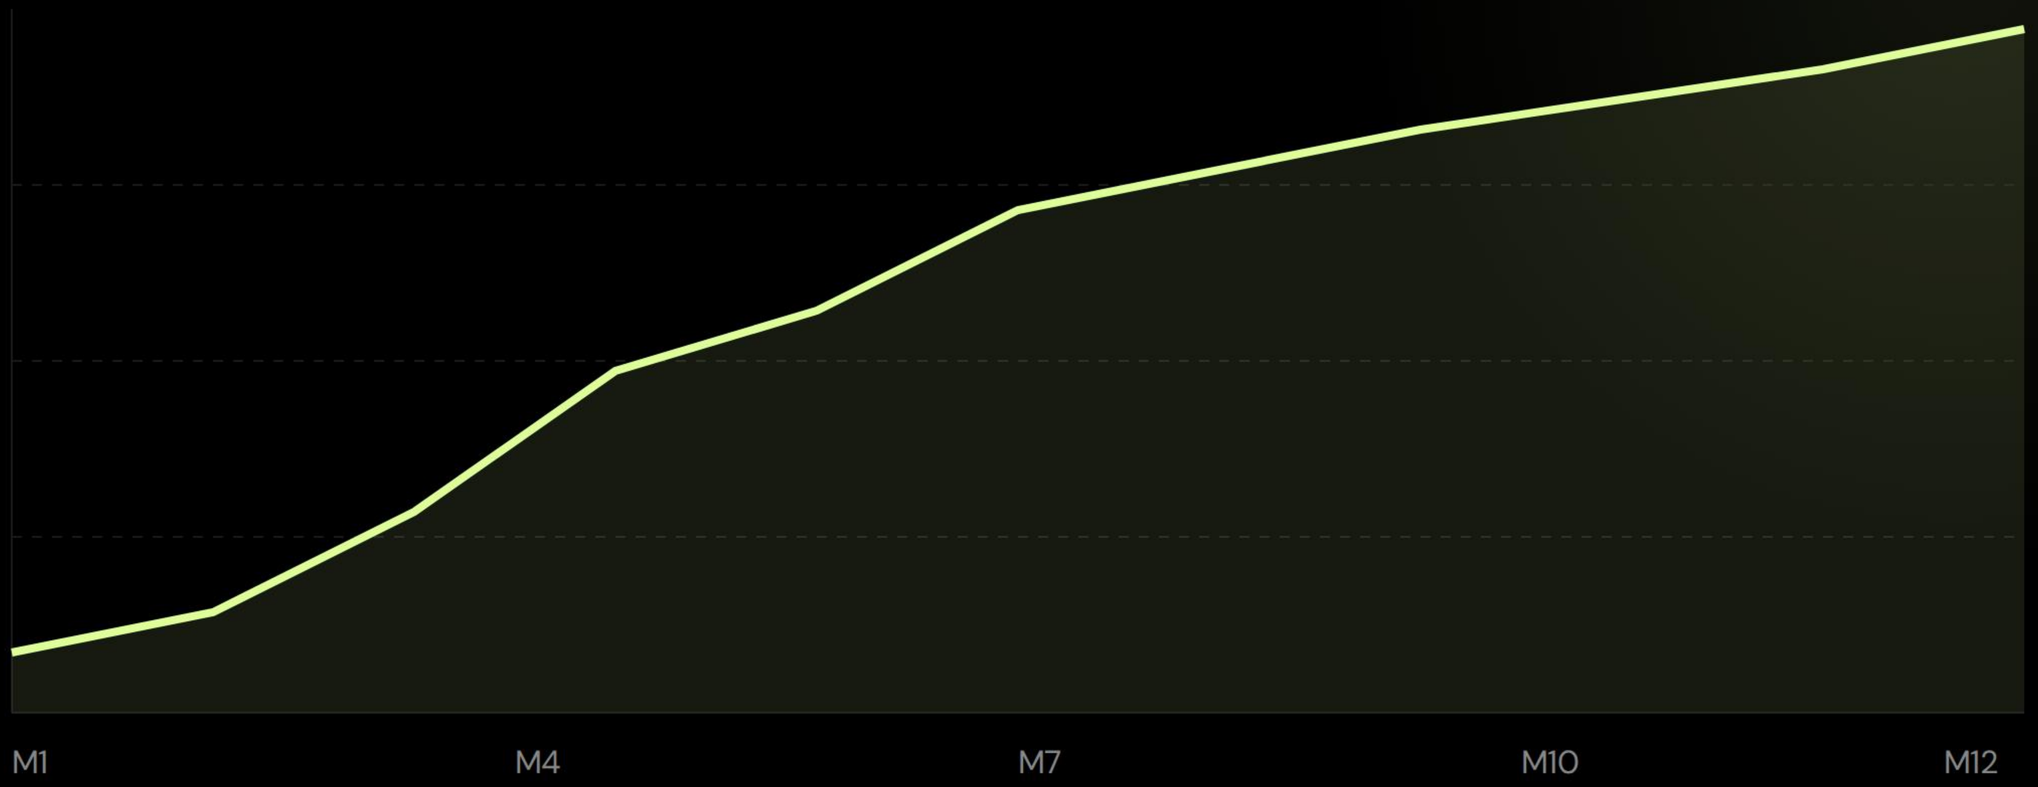

Self-Sustaining Ecosystem

Identify top 5% talent from our MERN and App Dev batches in Month 8. Onboard them as junior developers in our IT Services division. This zero-cost recruitment loop ensures a high-quality technical workforce that understands our proprietary stack from day one.

Financial Snapshot

Timeline	Revenue (Total)	Expenses (Total)	Net Profit
Month 1	₹1,150,000	₹110,000	₹1,040,000
Month 6	₹6,100,000	₹535,000	₹5,565,000
Month 9	₹8,119,100	₹712,085	₹7,407,015
Month 12 Target	**₹11,757,654**	**₹974,203**	**₹10,783,451**

Growth Projections

Exponential trajectory driven by 10% MoM EdTech scaling and 20% MoM SaaS acceleration from Month 10.
